

Social Innovation Hub

Sault Ste. Marie

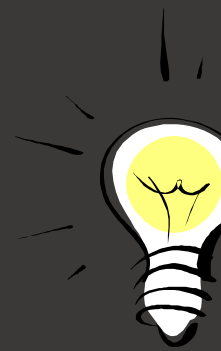

Social Innovation

- ✓ Create meaningful employment for young people
- Address Sault Ste. Marie's social, environmental & economic issues
- = IMPACT

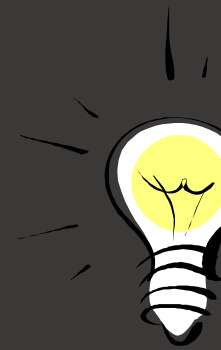

What is Social Innovation?

Social Innovation is a novel solution to a present social, economic, or environmental problem that is more effective, efficient, sustainable, or just than present solutions.

What describes a social innovator?

Social innovators have a passion for change, a tolerance for risk, an appreciation for collaboration, an interest in learning and a desire for action.

If you could make a living AND have a positive impact in your community would you?

s create a city that is vibrant, economically diverse and resilient

Let's be bold. Let's try something new. Let's take action.

s build on the energy and momentum that is already happening

gether, let's establish a Social Innovation Hub
